Dear Larry:

Through my brother-in-law, I met  
a friend of his,  upon my return.  is at pres-  
ent a private in the artillery. I was  
quite impressed with the young man and  
asked him for a summary, which I enclose.  
It may be that he can be useful.

I was in Washington yesterday,  
but in such a rush I did not have a  
chance to call you as I intended.

It was great fun being with  
you in Beverly Farms. Love to Jean and  
the children.

Sincerely yours,

Enclosure
